MASTERING THE HYBRID CLOUD ENVIRONMENTS

DATE AND LOCATION

Burj Al Arab, Dubai

February 19th, 2019

Are you concerned about your business strategy and product roadmap for the next years?

Do you want to interact with the hyperscale environments?

This moderated executive event brings together executives from a broad range of innovative companies together with NetApp to network, share perspectives and address challenges.

Join us and gain insights on how NetApp can help you leverage hybrid multi-cloud infrastructure and define your future business.

JOIN US AND GAIN INSIGHTS ABOUT...

- Future Service Providers services/product roadmap and What is "Fueled By NetApp"? How FBNA can help Service Providers to go to the market and to monetize their infrastructure?
- What are the trends in Service Providers industry? How other Service Providers around the world going to market? Interesting Success Stories? Compete or cooperate with Hyperscalers? How Service Providers are becoming data broker of the century?
- Hybrid multi-cloud infrastructure and how NetApp can help leverage it
- Virtualization of Telco networks and why NetApp is the best fit
- NetApp cloud data services' integration with the Service Providers market place
