

BE TOMORROWS DISRUPTOR

UNLEASHING THE POWER OF THE
TRULY CONNECTED ENTERPRISE

DATE AND LOCATION

Copenhagen (DK)

December 12th, 2019

Every strategy must evolve to keep pace with future demands, but is your digital disruption strategy even ready to handle innovation challenges?

Being able to adapt or drive changes in the market through new business models is crucial to remain competitive. However, the ability to effectively change the operating models is a harder task to manage.

Understanding this, leading organisations are now combining key capabilities into central transformation functions, tasked to streamline strategy execution.

Software AG has become a part of these journeys, by providing key business capabilities to support strategy execution. In this roundtable, we will share and discuss these stories and our vision on 21st-century business transformation.
